WHAT: ONE WAY TRAFFIC CONTROL ON ROAD 68 JUST SOUTH OF STATE ROUTE 198 INCLUDING NO ACCESS TO SOUTHBOUND ROAD 68 FROM STATE ROUTE 198

WHEN: FROM 8:00 PM THURSDAY EVENING, SEPTEMBER 17TH TO 6:00 AM FRIDAY, SEPTEMBER 18TH

WHERE: TULARE COUNTY ON ROAD 68 JUST SOUTH OF STATE ROUTE 198

The California Department of Transportation (Caltrans) announces a utility relocation project on Road 68 just south of State Route 198 in Tulare County tonight, Thursday evening, September 17, 2009 beginning at 8:00pm through tomorrow Friday morning, September 18, 2009.

Crews will be working to relocate utility lines on Road 68, just south of State Route 198. During this project, crews will be initiating one-way traffic control on Road 68 and commuters travelling on eastbound and westbound 198 will not have access to southbound Road 68.

Motorists should use an alternate route whenever possible.

This scheduled closure and limited access will occur, weather permitting. Closures may continue for a longer period of time if necessary, due to delays caused by uncontrollable events that may occur during construction.

Caltrans would like to thank the residents and commuters for their patience during this relocation project. The public is asked to drive with extra care while traveling through the construction area and please **Slow of the Cone Zone**.
